Don't Fear the Dark Side

16 Hour Course Agenda

Day One

- 0800-0900** **Introductions**
- 0900-1015** **"Hear Me Now and Remember What I Said"**
Ever have an unexpected two-word verdict after a trial? Many people think and learn differently. This block covers different types of learners and adult learning.
- 1015-1200** **How to testify on direct and cross examination.**
Cover basic concepts and common defense tactics.
- 1200-1300** **Break/Lunch**
- 1300-1400** **Wet Lab/SFST Refresher**
Participants administer standardized field sobriety tests in an interactive wet lab. This allows law enforcement to show proficiency and prosecutors to observe SFST up close and personal. This also plays a part later in the course.
- 1400-1430** **Report Writing and Blood Search Warrants**
This block covers effective report writing and how to properly write search warrants for blood draws.
- 1430-1500** **Theme development for prosecution**
This block covers presenting a theme and tying the case in to that theme.
- 1500-1545** **Roadside Interviewing and Reestablishing rapport post arrest**
Don't accept the "two beers" answer. This block teaches participants how to properly interview motorists that will help with arrest/no arrest decision. Now that you have the defendant in custody, officers need communications skills now more than ever. Discussion how to effectively communicate in order to obtain a toxicology sample.
- 1545-1700** **Report Writing Exercise**
Remember the drinking lab earlier in the day? Based off a fact pattern given, write a case file and be ready for trial. We're about to put it all together!

Day Two

- 0800-1700** **Trial Advocacy**
Opportunity for participants to put together everything learned on day one. Participants will testify in court (law enforcement) of direct and cross examine witnesses (Prosecutors).
