

APRIL 11-14, 2023 INVESTIGATING AND PROSECUTING SEXUAL ASSAULT CASES

In Collaboration with the Prosecuting Attorneys' Council of Georgia

Share your concerns and obtain successful strategies to support victims and their families and investigate and prosecute these cases effectively.!!!

With the rise in violent crimes, backlash against victims, police, prosecutors and the criminal justice system, frequent lack of scientific evidence and eyewitnesses, isolation in a pandemic, social media attacks, and sexual sensationalism by the entertainment industry, sexual assault cases are some of the most difficult to try. Join our experienced multi-disciplinary faculty as they discuss issues essential to effective investigation, charging, prosecution, case management and sentencing in these complex cases.
